

EDITORIAL

Each month, the *Birmingham Medical News* highlights a clinical or business focus. These features provide local, detailed information on topics relevant to the fast-changing healthcare sector. In addition to the focuses, each issue includes current medical news that matters to this market.

MONTH	FOCUS TOPICS	
January	Ophthalmology	Longevity
February	Cardiology	Legislative Agendas
March	Practice Management	Preventative Medicine
April	Asthma	Primary Care
May	Women's Health	Neurology
June	Aesthetic Medicine	Healthcare Real Estate
July	Behavioral Health	Healthcare IT
August	Pediatrics	Reimbursement
September	Orthopaedics	Personalized Medicine
October	Genetics	Gastroenterology
November	Men's Health	Senior Health
December	Oncology	Wellness

Here's what Birmingham physicians have to say about ***BIRMINGHAM MEDICAL NEWS***:

"The *Birmingham Medical News* is an outstanding resource for information on local healthcare and current issues in the medical market."

MAX HALE, MD • BIRMINGHAM PEDIATRIC ASSOCIATES

“I look forward to reading the Birmingham Medical News each month. I almost always learn something new that’s happening here in our medical community, and I find the articles to be thorough and well-written.”

CAROLINE REICH, MD
